Forgotten

LINKIN PARK

From the top to the bottom, bottom to top, I stop
At the core I've forgotten, in the middle of my thoughts
Taken far from my safety, the picture's there
The memory won't escape me, but why should I care? From the top to the bottom, bottom to top, I stop

At the core I've forgotten, in the middle of my thoughts
Taken far from my safety, the picture's there

The memory won't escape me, but why should I care? Theres a place so dark you can't see the

Skies cock back and shock that which can't defend The rain then sends dripping, acidic questions, forcefully

The power of suggestion, then with the eyes shutLooking through the rust and rot and dust A small spot of light floods the floor

And pours over the rusted world of pretend

And the eyes ease open and it's dark again

From the top to the bottom, bottom to top, I stop

At the core I've forgotten, in the middle of my thoughts

Taken far from my safety, the picture's there

The memory won't escape me, but why should I care?In the memory you'll find me, eyes burning up

The darkness holding me tightly, until the sun rises upMoving all around, screaming of the ups and downs

Pollution manifested in perpetual sound the wheels go round

And the sunset creeps behind street lamps

Chain link and concreteA little piece of paper with a picture drawn

Floats on down the street till the wind is gone

And the memory now is like the picture was then

When the paper's crumpled up, it can't be perfect againFrom the top to the bottom, bottom to top, I stop

At the core I've forgotten, in the middle of my thoughts

Taken far from my safety, the picture's there

The memory won't escape me, but why should I care?

From the top to the bottom, bottom to top, I stop

At the core I've forgotten, in the middle of my thoughts

Taken far from my safety, the picture's there

The memory won't escape me, but why should I care?In the memory you'll find me, eyes burning up

The darkness holding me tightly, until the sun rises upNow you got me caught in the act, you bring the thought back

I'm telling you that, I see it right through youNow you got me caught in the act, you bring the thought back

I'm telling you that, I see it right through you

Now you got me caught in the act, you bring the thought back
I'm telling you that, I see it right through you
Now you got me caught in the act, you bring the thought back
I'm telling you that, I see it right through you
Now you got me caught in the act, you bring the thought back
I'm telling you that, I see it right through you
Now you got me caught in the act, you bring the thought back
I'm telling you that, I see it right through you
Now you got me caught in the act, you bring the thought back
I'm telling you that, I see it right through you
In the memory you'll find me, eyes burning up
The darkness holding me tightly, until the sun rises up
In the memory, you will find me, eyes burning up
The darkness holding me tightly, until the sun rises up
