

# Lava

## Ministry

Hot lava  
Big monkey flow  
Chokin' on a color  
Floating down like a rain (oh yeah)Hot lava  
Cool down  
Big travel, every town  
Roll it over with a ball and chainHot lava  
On the always  
Make ready to burn  
What the hell is in your  
Lost and your found  
Got lotta those time  
Some owner lost  
He wants nothin' but the kick underground  
(Be healed, be healed!)  
Hot lava, lava  
(Be healed, be healed!)Big kicker mule  
Dipped in hot cotton  
Make water like candy  
And a fever like mine  
Big boiler  
Make rotten grey matter  
Not spoiled like the child  
Who pops them two at a time  
Be healed!  
Hot lava, lava  
Be healed, be healed!  
Hot lava  
Hot lava
