

# Only

## Anthrax

Everything is perfect  
Everything is sick, that's it  
You can't tell me to stop it  
You can't tell me not to quit, that's it Revolve around yourself  
It's you and no one else  
Hard for me to stay  
Swinging moods that change  
From calmness to deranged  
Unpredictable, unpredictable You would see if  
Only  
You hadn't taken things out of my hands  
Only  
You never wanted to understand  
Clashing ways to live here  
Compromise for me  
I'm at both ends of the spectrum  
You're somewhere in the between  
Ah, come clean Revolve around yourself  
It's you and no one else  
Hard for me to stay  
Swinging moods that change  
From calmness to deranged  
Unpredictable, unpredictable You would see if  
Only  
You hadn't taken things out of my hands  
Only  
You never wanted to understand  
Only  
You hadn't taken things out of my hands  
Only  
You never wanted to understand  
Only  
You hadn't taken things out of my hands  
Only  
You never wanted to understand Crucified, terrified, sacrifice, my whole life  
My whole life, my whole life, my whole life  
My whole life  
If only...  
I can't contain myself  
I can't contain myself  
I just can't take myself
