

# A Star Is Born (feat. J. Cole)

## JAY-Z

(J. Cole) (Jay-Z)

Everyday a star is born!!!!

(Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)

Everyday a star is born!!!!

(Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)(One: Jay-Z)

I seen Mase do it, I seen 'Ye do it

X came through, caught lighter fluid

Still I came through it, clap for 'em

But I'm the Blueprint, I'm like the map for 'em

I dropped another classic, made Puff pass it,

Nobody could touch Puff back when Puff had it

Wayne scorchin, I'll applaud him

If he keep goin, pass the torch to him

50 came through, like hurricanes do

I thought I finished his ass at Summerjam Two

I had the Illmatic, on bootleg

The shit was so ahead, thought we was all dead

Wayne did a milli, 50 did a milli

'Ye too but what Em did was silly

The white boy blossomed after Dre endorsed him

His flow on "Renegade," fuckin awesome, applaud him

(J. Cole) (Jay-Z)

Everyday a star is born!!!!

(Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)

Everyday a star is born!!!!

(Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)(Two: Jay-Z)

Hey, Snoop Dogg did, Nelly came down

Facemob kept the ghetto for the H-Town

Luda moved digits after he moved bitches

Drake's up next, see what he do wit it

Rule had a run, couple movie parts

T.I. literally wanted to shoot up the charts

Waddup Jeezy? What it do

Ya remind me of us in early '92

OutKast landed, 3 Thou' was ill

Like a male version, of Lauryn Hill

Mobb Deep +Shook+ it, but Prodigy took it

a lil' too far, can't fuck wit Brooklyn

Wu-Tang gangbanged it, Meth ate

Rae took on the date with the Purp' Tape

Passed on to Ason and then Ghostface

They had a hell of a run, standing ova- aaaaaaay!

(J. Cole) (Jay-Z)

 And I am one, of one  
 Can't you see just how long my run?  
 My rain knew {?} sun-shine  
 Been a star since I was back in one, time  
 One time give it up for him  
 December 4th, a star was born  
 Clap for him, he went from movin that corner  
 to, this corner office, so enormous  
 Heeeeeeeey! Pres Carter  
 Watchin her get her Monica on all day  
 Heeeeeeeey!  
 ...Got so many different Monicas, but only one Jay  
 They come, they go  
 Some real, some foe  
 Some friends, some hoes  
 But no I, goes nowhere, it's Hov(J. Cole) (Jay-Z)  
 Everyday a star is born!!!!  
 (Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)  
 Everyday a star is born!!!!  
 (Clap for 'em, clap for 'em, clap for 'em, clap for 'em, HEY!!!!)(Four: J. Cole)  
 And could I be a star?  
 Does fame in this game have to change who you are?  
 Or could I be the same one who came from a far away life  
 Just to make it in this Broadway lights  
 Now I'm shinin in the broad, day-light - go figure  
 A slow transition from a lil' broke nigga from the 'Ville  
 Got a deal, a real life saver  
 Dreams of being behind the wheel like, Jada  
 I chill now, cop a lil' ice later  
 Cole, you got a glow like a lil' Lightsaber  
 So, clap for him, then applaud Hov  
 He gave 'em a platform  
 Flow so sick thought he wrote the rap for him - no sir  
 The flow cold as a shoulder of a gold diggin hoes  
 When a broke nigga 'proaches  
 Told ya I'm focused man, I'll let you muh'fuckers soak it in
