

# Circles

Ty Segall

And when we are creeping  
it makes me feel alright  
to know the world is sleeping  
it keeps me up all night I remember you dear  
sitting oh, so near  
and with you by my side so you walk and you walk and you walk  
and we talk and we talk and we talk  
this is us in circles, yeaah I remember me dear  
sitting oh so near  
I told you everything's alright  
I remember us dear  
we were sitting oh so near  
and we knew it would be alright, yeaah  
Alright
