Jones, where we at, huh? Harlem, harlem, harlem...[Verse]

Yo, yo, I advise you to step son  
For I fuck ya moms, make you my step son  
Y'all be calling me daddy, cause  
The "Rag Muffin" y'all soon say  
Y'all fuck around with brother "Num-say"  
Y'all gonna see doomsday  
I'm a savage but colder  
Now I rock karrots that I'm older  
See this parrot on my shoulder?  
He do the talking, I ain't concerned with words  
Act up, and be returned to the birds  
I return with them birds, any 28 grams  
A bitch that I touch, pretty much turns to birds  
I be in Miami, Bow-Ca-Baton, pokin' ya moms  
Hauntin' ya aunt, all over the dawn  
Using a dope then I'm gone back  
Cobacabana, no joke I'm bananas  
Cops come for dope it's a damper  
I'm low in Atlanta, get hot, go to Savana  
Rush the crib, go in the hampter  
Don't follow me, "Stan-a"  
If you do, I'm blowin' the hammer  
That'll rip that vest apart, hit ya chest and heart  
I ain't finished, that's just the start  
You'll be calling for back up, praying for help  
Fuck my life, I'm taking myself  
All the achin' I felt  
In my crib at night, praying for wealth  
Bitches dissin "What's the problem ma? I ain't ballin?"  
Now every ten minutes, hos prank callin'[Kay Slay]  
Yo Cam, fuck all this rap shit, man  
Let's get down to business, Harlem
