## Red Hot Chili Peppers

"We're rolling everybody,  
It starts with bass"E I o I e I aWhen you give your love away  
You get a feeling for...  
E I o I e I a  
Live to love another day  
Even when you feel unsure.  
More and more I wanna raise!  
Raise my bar and raise your stay.  
E I o I e I a  
When I lie they're wide awake  
For my son I make  
Tell my boy I love him so  
Tell him so he know.  
Lost in Ethiopia  
Walk out in that road.  
E I o I e I aSomething good gon' come your way  
Just look out your door.  
E I o I e I a  
Tell him what you wanna say  
No matter whatcha mad at girl.  
Tell my boy I love him soTell him so he know.  
Lost in Ethiopia  
Walk out in that road.  
E I o I e I a  
Steal my heart to give away  
Make me wanna say.  
E I o I e I a  
You and I are so no same  
More and more and more each day.  
Tell my boy I love him so  
Tell him so he know.  
Lost in ethiopia  
Walk out in that road
