

# Soap

## Melanie Martinez

Think I just remembered something  
I think I left the faucet running  
Now my words are filling up the tub  
Darling, you're just soaking in it  
But I know you'll get out the minute  
You notice all your fingers pruning up I'm tired of being careful, tip-toe  
Trying to keep the water warm  
Let me under your skin  
Uh oh, there it goes  
I said too much, it overflowed  
Why do I always spill? I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash my mouth out with soap  
I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash my mouth out with soap Think I got myself in trouble  
So I fill the bath with bubbles  
Then I'll put the towels all away  
Should've never said the word "love"  
Threw a toaster in the bathtub  
I'm sick of all the games I have to play I'm tired of being careful, tip-toe  
Trying to keep the water warm  
Let me under your skin  
Uh oh, there it goes  
I said too much, it overflowed  
Why do I always spill?  
I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash my mouth out with soap I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash my mouth out with soap I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash-wash mouth-mouth with soap I feel it coming out my throat  
Guess I better wash my mouth out with soap  
God, I wish I never spoke  
Now I gotta wash my mouth out with soap
