

Run Away (I Wanna Be With U) [feat. Pusha T]

Nivea

I was gonna take my life
Where I wanted to go
Which was with your life
No, you'll ever know Now I can't do that
No, with the heaven found
'Cause when I was ready
You were nowhere around I said I wanna be with you
Why do you have to go and run away?
Is it 'cause you were not true
And you never had friends to stay? Or is it 'cause you had a girl
On the other side of town?
Made plans to be with you
Why the hell are you not around?
You said I was special
Special to the world
And made you special
'Cause I was your girl Now, I can't do that
No, with the heaven found
I thought I was special
Where are you now? I said I wanna be with you
Why do you have to go and run away?
Is it 'cause you were not true
And you never had friends to stay? Or is it 'cause you had a girl
On the other side of town?
Made plans to be with you
Why the hell are you not around?
Remember that go
You said I was yours
And then I was ready
Your heart an open door So I gave up the biggest smile
For your voices sound
But I can't smile now
'Cause you're not around I said I wanna be with you
Why do you have to go and run away?
Is it 'cause you were not true?
And you never had friends to stay Or is it 'cause you had a girl
On the other side of town?
Made plans to be with you
Why the hell are you not around? I said I wanna be with you
Why do you have to go and run away?

Is it 'cause you were not true
And you never had friends to stay? Or is it 'cause you had a girl
On the other side of town?
Made plans to be with you
Why the hell are you not around?
