

# Hard for Me

Leela James

The more I give you  
The more you want in return  
I try to show you love  
But you don't wanna learn  
What's the point of this  
If we can't get it right  
Ah baby  
Can't you see that I need you in my life  
Baby  
Don't make it hard for me baby  
I just wanna love you  
Let me love you, love you  
Let me love you 3x Why you make it so hard for me baby  
And why you push me so far, away  
Baby  
Can't you see that I'm  
Always down for you  
I ride or die for ya  
Give my life for ya  
Can't you treat me the same way too  
Baby, Oh oh  
I don't wanna fight with you  
No, not tonight  
I don't wanna cry about it  
(no tears no tears)  
But what am I supposed to do  
Cause we can't be together like this  
You know I love you  
(yes I do)  
But if you keep on  
Taking me through this  
I'll do what I have to do  
Say goodbye to you  
I'll get over you you you you
