## A Boogie wit da Hoodie

Huh, woke up in a new car

We hop in Mercedes, yeah  
This car right there a foreign car Don't get on my bad side, I'm dangerous  
Demons and angels hang with us  
Treat it like a phone, baby, hang it up, uh  
Throw your side up, go 'head, bang it up  
Don't fuck with me, no, I'm dangerous, uh  
I'm from where they hang 'em, oh  
Throw your side up, go 'head, bang it up  
Throw your side up, go 'head, bang it up  
Don't gangbang, this shit get dangerous  
I'm from the West Side, know not to play with us, yeah  
If you thinkin' that it's sweet, it's not okay with us  
Right now I'm in the A, we got the K with us (Bang)  
All my chains heavy, and they bright as fuck  
She only give me head 'cause she don't like to fuck  
So much Balmain on, I feel like I'm a biker boy  
I been missin' you but you don't call my line no more  
And I swear I get all up in my feelings  
When you're not around, yeah  
I get in my feelings when you're not around, yeah  
I get in my feelings when you're not around me  
I think I'm addicted to this lifestyle, I swear  
I hope you don't just want me for my lifestyle, I swear  
Don't you only fuck me for my lifestyle, I swear

But you came around just at the right time, I get  
Jealous when you try come around all my friends  
Type of shit that make me wanna fuck with your friends  
Make you wanna break the  
Fucking door off my Benz, yeah  
Don't get on my bad side, I'm dangerous  
Demons and angels hang with us  
Treat it like a phone, baby, hang it up, uh  
Throw your side up, go 'head, bang it up  
Don't fuck with me, no, I'm dangerous, uh  
I'm from where they hang 'em, oh  
Throw your side up, go 'head, bang it up
