## **Climax**

## **Usher**

Going nowhere fast
We've reached our climax
We're together, now we're undone
Won't commit so we choose to

Run away
Do we separate?

Don't wanna give in so we both gave up

Can't take it back, it's too late, we've reached the climax

ClimaxI've fallen somehow

Feet off the ground

Love is the cloud

That keeps raining down

Where are you now?

When I need you around

I'm on my knees, but it seems we'reGoing nowhere fast

We've reached our climax

We're together, now we're undone

Won't commit so we choose to

Run away

Do we separate?

Don't wanna give in so we both gave upCan't take it back, it's too late, we've reached the climax

ClimaxI gave my best, it wasn't enough

You get upset, we argue too much

We made our mess, what used to be love

So why do I care, I care at allAt all

At all

At all

Going nowhere fast

We've reached our climax

We're together, now we're undone

Won't commit so we choose to

Run awayDo we separate?

Don't wanna give in so we both gave up

Can't take it back, it's too late, we've reached the climax

ClimaxYou say it's better if we

Love each other separately

I just need you one more timeI can't get what we had out my mind

Where are you now

When I need you around

I'm on my knees

But it seems we're going

Going nowhere fast

## We've reached our climax We're together, now we're undone Won't commit so we choose to

Run away Do we separate?

Oh.Don't wanna give in so we both gave up
Can't take it back, it's too late, we've reached the climax
Climax
