

Good Thing Going

Sugar Minott

Ooh see that girl she does something to my chemistry
and laid out close I'm sure she'd raise my temperature untreatedly
everything, everyday in every wish she makes
my heart it hurts
and I reciprocate my life I dedicate to loving her For we've got a good thing goin'
a real good thing goin' yes
that girl and me
and I don't have to ask
I know that it's gonna last eternally Understanding whenever's hands need me, me I'll arrive
for you know what you do where you need so whats for you
who's telling lies
For we've got a good thing goin'
a real good thing goin' yes
that girl and me
we've got it good
so let's get it on, let's get it on
let's get it on
So we've got a good thing goin'
a real good thing goin' yes
that girl and me
and I don't have to ask
I know that it's gonna last eternally
We've got, we've got a good
we've got a good
so let's get it on
so we've got a good thing goin'
a real good thing goin' yes
