

Lead Feet

Boston Manor

How've you been? It's me.
Long time no see.
Your voice sounds deeper.
I found your number in a box of my things.
I just wanted to see, how you were doing.
Cause i've been moving around a lot lately.
I've got all the pieces, but not the order they're in.
Everything you ever wanted.
Was just out of reach.
When you're swimming up the river.
With Lead Feet.
With Lead Feet.
Forgive me father, for I have sinned.
I'm no believer but i'm sorry for what I did.
Left me here, for over two years.
I counted every day.
(Counted every day)
Everything you ever wanted.
Was just out of reach.
When you're swimming up the river.
With Lead Feet.
Everything you wanted, left you displaced.
When all you drank was envy.
From a bottle of rage.
There's no words, there's no words.
(That need to be said)
There's no words, there's no words.
Everything you ever wanted.
Everything you ever wanted.
Was just out of reach.
When you're swimming up the river.
With Lead Feet.
Everything you wanted, left you displaced.
When all you drank was envy.
From a bottle of rage.
