

I Think of You

Renaissance

I love you like a stream
flows restless to the sea
see you like the mist
touches clouds, touches me See you in the stars
wherever you may be

I think of you
think of you If ever you're near
and have some time to spend

I love you every way
love you like a friend
And then when you leave
a whisper in my mind

I think of you
think of you When I see a bird
fly over to the sea
and the sun in the sky
is shining warm and free
And when I feel the wind
blow cool over me

I think of you
think of you
