## **Undo It**

## **Carrie Underwood**

I should've known by the way you passed me by
There was something in your eyes and it wasn't right
I should've walked, but I never had the chance
Everything got out of hand, and I let it slideNow I only have myself to blame
For falling for your stupid games
I wish my life could be the way
It was before I saw your faceYou stole my happy, you made me cry

Took the lonely, and took me for a ride And I wanna uh-uh-uh-uh-uhoi itYou had my heart, now I want it back

I'm starting to see everything you lack
Boy, you blew it, you put me through it

I wanna uh-uh-uh-uh-undo it

Na, na, na, na, na Na, na, na, na, na

Na, na, na, na, naNow your photos don't have a picture frame
And I never say your name, and I never will
And all your things, well, I threw them in the trash
And I'm not even sadNow you only have yourself to blame

For playing all those stupid games You're always going to be the same

Oh, no, you'll never change You stole my happy, you made me cry
Took the lonely, and took me for a ride

And I wanna uh-uh-uh-uh-undo itYou had my heart, now I want it back

I'm starting to see everything you lack Boy, you blew it, you put me through it I wanna uh-uh-uh-uh-undo it

> Na, na, na, na, na Na, na, na, na, na

Na, na, na, na, na, naYou want my future, you can't have it
I'm still trying to erase you from my past
I need you gone so fastYou stole my happy, you made me cry

Took the lonely, and took me for a ride And I wanna uh-uh-uh-uh-uh-uh-undo it You had my heart, now I want it back I'm starting to see everything you lack Boy, you blew it, you put me through it I wanna uh-uh-uh-uh-uh-undo it You stole my happy, you made me cry Took the lonely, and took me for a ride Boy, you blew it, you put me through it I wanna uh-uh-uh-uh-uh-uh-undo it
