## **Josephine**

## **Brandi Carlile**

Take me back Josephine
To that cold and dark December
I am missing someone but I don't know who
Now I'm standing alone and I'm trying to remember
Sometimes I wonder how I ever started loving youNoontime wind can you blow
For me one more time

And take me on back to the start
Where the midnight moon shines so bright

Nearly pulled us up to Heaven By the strings of our heart

Take me back Josephine

To that cold and dark December

I am missing someone but I don't know who

Now I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving youMorning sun shine on me

Come light inside my window

And rest on my brow

Kiss my eyes when I sleep

And carry me back home

If my dreams will allow Take me back Josephine

To that cold and dark December

I am missing someone but I don't know who Now I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving you

Take me back Josephine

To that cold and dark December

I am missing someone but I don't know who

Now I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving you

Someone help me understand why I'm still loving you
