

# When You Love Someone

Jake Owen

It sounds like a lie when you say it  
Sounds like a lie cause it is  
It don't matter how you try to play it  
It don't matter which way it spins  
It ain't rocket science, baby  
It ain't arithmetic  
When you love someone  
When you really love someone  
You don't get drunk at a bar, jump in the car  
Roll in the dark and go to far with someone  
When you love someone  
Well, I'm coming down off a promise  
You're coming down off a buzz  
Whether it's love or it's whiskey  
Well, I guess we've both sobered up  
Let's just go ahead and call this thing what it was  
Cause when you love someone  
When you really love someone  
You don't get drunk at a bar, jump in the car  
Roll in the dark and go to far with someone  
When you love someone  
Ooh, don't wanna hear you're sorry  
Ooh, baby, don't waste your breath  
Cause it sounds like a lie when you say it  
It sounds like a lie cause it is  
When you love someone  
When you really love someone  
You don't get drunk at a bar, jump in the car  
Roll in the dark and go to far with someone  
When you love someone  
If you really love someone  
You don't get drunk at a bar, jump in the car  
Roll in the dark and go to far with someone  
Just break my heart with someone  
When you love someone  
When you love someone
