

# Talk to Me Texas

[Keith Whitley](#)

Well it's lonely out tonight down here in Georgia  
And the oldest friend, I've got, I met today  
The woman that I love just up and left me  
And the place I love's a thousand miles away  
Operator hook me up to Houston  
Get me anybody on the phone  
Look there in your book and pick a number  
'Cause you can't be choosy when you're this alone  
Won't you talk to me Texas? Let me hear that  
drawl

I spent my last five dollars on this one long distance call  
Won't you talk to me Texas? I've got these homesick blues  
Tell me, I can come on home to you  
I've got this faded number in my wallet  
It's been here a dozen years I know  
I used to call it up when I was lonely  
Well oh, that woman sure could love me so I know by now she's probably changed her number  
And with my luck she's probably changed her name  
If there's a chance in Hell I'll think I'll take it  
'Cause I'd love to hear that woman's voice again  
Won't you talk to me Texas? Let me hear that  
drawl

I spent my last five dollars on this one long distance call  
Won't you talk to me Texas? I've got these homesick blues  
Tell me, I can come on home to you  
So won't you talk to me Texas? Let me hear that drawl  
I spent my last five dollars on this one long distance call  
Won't you talk to me Texas? I've got these homesick blues  
Tell me, I can come on home to you  
Hey tell me, I can come on home to you
