

Heart Heart Head

Meg Myers

I can barely speak
Black and white bed sheets
I feel the air retreat
I know you're here with me. How do I fake it with another man?
How do I love him on the weekend?
How do I listen to another man?
How do I get off on the weekend? You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
Pressure on my lips
I die for just one kiss
Wait, God, can't resist
Could I be dreaming this? How do I fake it with another man?
How do I love him on the weekend?
How do I listen to another man?
How do I get off on the weekend? You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my head
You're in my heart, in my heart, in my h-h-h-
