

# Need You

Travie McCoy

I know it's not your fault, but I'm a locked door  
Anytime I'm a mess by someone before  
And I wish that I, I could find a key  
To unlock all the things that you want us to be  
Let me open up and start again  
But there's a safe around my heart  
I don't know how to let you in  
And that's what keeps us apart  
And that's why I need time.

I said I need you

I need you to understand, you, you, you Call up the locksmith  
Tell him we need him quick  
We've got a million keys  
None of them seem to fit  
While you're on the phone  
Call up the locksmith  
Cuz I could use some time  
Even the slightest bit  
Let me open up and start again  
And break this safe around my heart  
I don't know how to let you in  
And that's what keeps us apart  
And that's why I need time

I said I need you

I need you to understand, you, you, you I'm thinking now's the time  
Maybe it's time to go, if I gave you my heart, be gentle  
I'm tired of laying low, lets give the world a show  
And when you know, you know  
And when you know, you know, you know  
And when you know, you know, you know, you know  
And that's why I need time

I said I need you

I need you to understand, you, you, you I need you to understand I need you I need you, you,  
you
