

I already changed my city, now I'm on my way to change the globe
I'm tryin to inspire the world
To show 'em what it is when you hustle and you work hard Show 'em what it is, to put your life
on the lind for the love of the grind
Life is a rhyme with no reason, and that's the reason I rhyme
But once I show the globe
I just wanna know Where do we go from here
World tell me please
Where do we go from here
I want the world to tell me please Where do we go from here?
World tell me please
Where do we go from here
I want the world to tell me please
Where do we go?
(Where do we go, where do we go) Where do we go?
(Where do we go, where do we go)
Where do we go?
(Where do we go, where do we go)
Where do we go?
(Where do we go, where do we go . from here) You must be blind
If you can't see the world is mine
You must be blind
If you can't see the world is mine
You must be blind
If you can't see the world is mine
You must be blind
If you can't see the world is mine
