

# Thank God for Kids

John Rich

If it weren't for kids have you ever thought  
There wouldn't be no Santa Clause  
Look what the store just brought  
Thank God for kids  
We'd all live in a quiet house  
Without Big Bird or a Mickey Mouse  
And Kool-aid on the couch  
Thank God for kids  
Thank God for kids there's magic for a while  
A special kind of sunshine in a smile  
Did you ever stop to think, or wonder why?  
The dearest thing to Heaven is a child  
A 'Daddy how does this thing fly?'  
A hundred other where's and why's  
I really don't know but I try  
Thank God for kids  
When I look down in those trustin' eyes  
That look to me, I realize  
It's love that I can't buy  
Thank God for kids  
Thank God for kids there's magic for a while  
A special kind of sunshine in a smile  
Did you ever stop to think, or wonder why?  
The dearest thing to Heaven is a child  
When you get down on your knees tonight  
To thank the Lord for his guiding light  
And pray they turn out right  
Thank God for kids  
Hmmm, thank God for kids
