

# Anyway (feat. Tayla Parx)

Chris Brown

Cause I'mma love you anyway  
Cause I'mma love you anyway I know you probably never had somebody  
Loving you like I do, someone that's there for you  
Don't judge ya cause I know we only human  
I must be stupid babe, letting you slip away If you show me all your flaws, I'll show you mine  
I'll claim your baggage, no longer need to hide Cause I'mma love you anyway  
Cause I'mma love you anyway  
Cause I'mma love you anyway  
Cause I'mma love you anyway I wish that you could see you like I see you  
It's like that you're no good, you're just misunderstood  
Now it's my job to make you a believer  
Them boys ain't like this man, can't love you like I can If you show me all your flaws, I'll show  
you mine  
I'll claim your baggage, no longer need to hide  
Cause I'mma love you anyway  
Cause I'mma love you anyway  
Cause I'mma love you anyway  
Cause I'mma love you anyway  
Lemme get it like  
Lemme get it like  
Lemme get it like  
Lemme get it like  
Cause I'mma love you anyway  
Cause I'mma love you anyway
