

# Lean Back

## Terror Squad, Fat Joe & Remy

I don't give a 'bout your fault or mishappenin's  
We from the Bronx, New York thing happens  
Kids clappin' love to spark the place  
Half the on the Squad got a scar on they face  
It's a cold world, and this is ice half a mil' for the charm, this is lifeGot the phantom in front of  
the building Trinity Ave  
10 years been legit they still figure me bad  
As a youngin', was too much to cope with  
Why you think, B-X nick-named me, Cook CokeShould've been called Don, robbery, extortion  
or maybe grand Larceny  
I did it all, I put the pieces to the puzzle  
This long, I knew me and my peoples was gon' bubble.  
Came out the gate, on some flow Joe fat with shotty was the logo kid.  
Said, my don't dance  
We just pull up our pants and do the Roc-away  
Now, lean back, lean back, lean back, lean back  
I said, my don't dance  
We just pull up our pants and do the Roc-away  
Now lean back, lean back, lean back, lean backR to the Ezzy, M to the whizz-I, my arms stay  
breezy  
The Don's stay flizz-I, got a date at 8, I'm in a 740'fizz-I've  
And I just bought a bike so I can ride til' I die  
With a matchin' jacket, 'bout to cop me a mansionMy Squad in the club, but you know they not  
dancin'  
We gangsta, and gangstas don't dance, we boogie  
So never mind how we got in here with the burners and hoodies  
Listen we don't pay admission, and bouncers don't check us  
And we walk around the metal detectors and there really  
Ain't a need for a VIP section in the middle of the dance floor  
Reckless, check it, said it, like my necklace, started relaxin'  
Now, that's what the hell I call a chain reaction  
See, money ain't a thing, we still the same, flows just changed  
Now, we 'bout to change the gameSaid, my don't dance  
We just pull up our pants and do the Roc-away  
Now, lean back, lean back, lean back, lean back  
I said, my don't dance  
We just pull up our pants and do the Roc-away  
Now lean back, lean back, lean back, lean backNow we livin' better now, Gucci sweater now  
And that G4 could fly through, any weather now  
See haters get tight, when you worth some millions  
That's why I sport the chinchilla to hurt they feelin'sYour can find Joe Crack at all type of  
Out at Vegas front roll on all the fights and

If I would've brought Compton, they'd prolly squeel  
'Cause half these rappers dead broke like dirick fa' realIf you cross the line damn right, I'm gon'  
hurt you

These even made gang signs commercials  
Even Lil' Bow Wow throwin' it up  
B2K crip walkin' like that's what's upKay keep tellin' me to speak about da Rucker  
Matter of fact, I don't wanna speak about da Rucker  
Not even Pee-Wee Kirkland could imagine this  
My champ Pee didn't have to play to win the championshipMy don't dance  
We just pull up our pants and, do the Roc-away  
Now lean back, lean back, lean back, lean back  
I said, my don't dance  
We just pull up our pants and do the Roc-away  
Now lean back, lean back, lean back, lean back
