

Time's a Wastin'

Erykah Badu

YeahTime's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll landRun baby, run, run
Where you runnin to?
And who you runnin from?
Some people may not understand
What it means to be a man
Takin' full command
Cause we're
Livin in a world that's oh so strange
Boy don't let your focus change
Takin out the demons in your range, hey
Livin in a world that's oh so fast
Gotta make your money last
Learn from the past, ohTime's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll landSweet love and sunshine
If it's all in the air
Then it's all on your mind
Breathe baby
Come back to the world
Dig up all your pearls
Teach the boys and girls, hey
Livin in a world that's oh so strange
Boy don't let your focus change
Takin out the demons in your range, hey
Livin in a world that's oh so fast
Gotta make your money last
Learn from the past, ohOh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smileTime's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll landOh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smileOh, oh, oh, oh...Time's a wastin
Don't you take your time young man
Keep on driftin and

Ain't no tellin where you'll landAin't no tellin, oh, oh...
