

# God Only Knows

Joss Stone

I may not always love you  
But long as there are stars above you  
You never need to doubt it  
Ill make you so sure about it God only knows what Id be without you If you should ever leave me  
Though life would still go on believe me  
The world could show nothing to me  
So what good would living do me God only knows what Id be without you God only knows  
what Id be without you If you should ever leave me  
Well life would still go on believe me  
The world could show nothing to me  
So what good would living do me  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you  
God only knows what Id be without you  
God only knows  
God only knows what Id be without you
