

# Fire Starter (feat. Emani22)

## Trippie Redd

Honorable Court  
Said it all ends in motherfucking flames  
Said it all ends in motherfucking flames  
Yeah yeah, yeah, yeah  
Big 14, know what the fuck goin' on, yeah Said it all ends in motherfucking flames  
Said I'm a boss, bitch, ain't got no time for games  
Proceed with caution, we kill and say no names  
Yeah  
I said this scrutiny  
If I die today, man who gon' shoot for me?  
Roll with Big Weezy, Billy Coupes with me  
I can't go nowhere unless my troops with me  
So don't try anything, it'll all end in flames  
Yeah, it'll all end in flames  
Yeah, it'll all end in flames  
Yeah, it'll all end in flames I got my bag now, your bitch wanna pass out  
Dash out, smash out, bad bitch mash out  
Crash out, millions in my stash house  
Lil bitch gonna suck me til' she gag out  
Opp ass niggas should wear a badge now  
I'm the future, you niggas left in the past now  
Got these bitches in bundles, I'm talking mass now  
All of these choppas, I swear to God I done maxed out  
Said it all ends in motherfucking flames  
Said I'm a boss, bitch, ain't got no time for games  
Proceed with caution, we kill and say no names  
Yeah  
I said this scrutiny  
If I die today, man who gon' shoot for me?  
Roll with Big Weezy, Billy Coupes with me  
I can't go nowhere unless my troops with me  
So don't try anything, it'll all end in flames  
Yeah, it'll all end in flames  
Yeah, it'll all end in flames  
Yeah, it'll all end in flames, yeah
