

# I Wish You Would (feat. Kanye West & Rick Ross)

DJ Khaled

I'm so serious! One, two them boys coming for you  
Three, four, better lock your door  
Five, six, hide your bitch  
(Ayo Yeezy, pop your shit) They said, thou shall not be ill  
Thou shall not feel  
Thou should not be trill, not be drill, not be real  
Niggas selling packs, niggas flipping pills  
They got heroin and cracks, man these niggas high for real  
Every year gon be our year  
Every year gon be my year  
These niggas really is out here  
These niggas really is out here  
The block is at war  
Post traumatic stress  
Ran up outta pills  
Rob that CVS  
Niggas getting bust over In God's We Trust  
We believe in God but do God believe in us  
If we believe enough, will we ever get to know 'im  
That lean got us dozing, we forget that we the chosen  
I've been poppin shit for too long  
But still reppin' where I came from  
I guess it's how I came up  
I wish you would try to play us  
I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I guess it's how I came up  
I wish you would try to play us My money on a another level  
In the streets I hear 'em hotter than the fucking devil  
I wonder how I got a hundred in my fucking bezel  
G5, make it rain, I can change the weather  
We fly, them niggas lame, where your fucking cheddar?  
Aim at your brain, AK be the fucking letters  
Fuck niggas fall in alphabetical order  
Frank Lucas fur, the cap run more than the quarter  
I'm at the fight, ringside, right next to promoters  
All my niggas still hustle consider 'em roguish  
I remember catching buses just bought me a Lotus

All your codes get decoded, know the niggas you quoting  
Hunh, my corner will scorch ya  
Somehow my flow is the coldest  
Money, power, respect, the only thing's truly important  
Family first, Khaled we gotta stay focused  
God Forgives and I don't  
Pussy niggas unnoticed  
I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I guess it's how I came up  
I wish you would try to play us I wish you would nigga, I wish you would nigga  
You see you got a couple cases, still look good nigga  
You see these niggas'll try to play ya  
Know how ya feel nigga  
Eh yup, that'd be the day you wanna kill a nigga  
But you gon chill nigga  
Just for your kids nigga  
Cause now there's kids doing grown man biz nigga  
You just got home nigga  
You tryna live nigga  
Me I don't wanna do another 5 years nigga  
The boss is testing yo ass  
The feds'll question yo ass  
They be drug testin' yo ass  
And then they pray you don't pass  
And then you look in the sky  
You got some questions to ask  
With no response make you wanna grab the tech and the mac  
Cause they've been poppin' shit for too long  
Still reppin' where I came from  
I guess it's how I came up  
I wish you would try to play us I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I wish you would nigga  
I guess it's how I came up  
I wish you would try to play us (ROZAY!)
