Creation & Destruction

Immortal Technique

Yeah Haha

Se acabado la mierda (Spanish: cut the shit)

Bout to drop a def' cut

Yo, yo, yo, huhImmortal Technique, disintegrates mic's when I spit

I cause more casualties than sunken slave ships
Full to capacity, I bring tragedy to rap without my man Kadafi

The government took Nazi scientists from Germany
To design nuclear rockets and ways of observin' me

'Cause their pathetic attempts, didn't work to murder me When this country was conceived, these bastards never heard of me

But now I hold the souls of slave masters eternally Bleeding internally, burnin' D, durin' surgery, verbally

> 'Cause I'm a spirit to which Devils are incompatible

I've been around since the planet was inhabitable
I spit in the ocean and created microscopic animals
Which evolved into two species, the righteous and the cannibals
But until then, I had alien women suck me off
When God said "Let there be light", I turned it the fuck off
And that's the reason earth is only 5 billion years old

I made the sun shine, and permitted time to unfold
The surface was lava, but when I stepped down, it became cold
Fuck what you've been told

My spiritual form became a swarm of molecule sickness
Manifested liquid trapped inside a mountainous region
Until the skies starting raining, continuous seasons
Immortal Technique, at long last, reincarnated
Undebatably reinstated to leave you decapitated
Je suis fous, but my crazy words make sense
I'll split every pound in your body into six pence
I'm sick of simple similes about The Sixth Sense

I'll leave your body drenched in the blood of all your ancestors You'll never be at peace, like the souls of child molestors I'll cut you and bless your festering wounds with alcohol

Drown you in a clogged toilet, in a public bathroom stall I'll rip you down, take a chunk of you home like the Berlin Wall

This is the final call, for all rappers that wanna brawl
Immortal Technique, the wrong motherfucker to dis
'Cause I allow God to let you motherfuckers exist
Hahahahaha yeah, real oh

We about to crash somethin' now, yo

Yo, yo, yoI'm the stronghold on your neck that doesn't let you breathe Stronger than the fake image of God in which you believe More dangerous than your ignorant ass could ever perceive A European virus, mutated in Africa, overseas Transported by mosquitoes and fleas to where you live So lock yourself in your house with your wife and your kids You're such a bitch, somebody probably made you out of a rib My arrest record just scratches the surface of what I did My bid locked me up and brought my life to an end I was forgotten, abandoned by my bitches and friends You don't want beef with people like me so don't pretend I'll resurrect your aborted baby and kill it again You get no props in hip-hop like feminine men I'm iller than any plague God gave Moses to send You wanna make amends, 'cause I'm the reason that the earth shakes Burying your fam like Central American earthquakes Immortal Technique Harlem to Canada Lyrically damage ya
