

Heaven

Warrant

I've got a picture of your house
And you're standing by the door.
It's black and white and faded
And it's looking pretty worn.
See the factory that I worked
Silhouetted in the back.

The memories are gray but man they're really coming back. I don't need to be the king of the
world

As long as i'm the hero of this little girl
Heaven isn't too far away
Closer to it everyday

No matter what your friends might say How I love the way you move
And the sparkle in your eyes
There's a color deep inside them
Like blue suburban skys
When i come home late at night
And you're in bed asleep
I wrap my arms around you

So I can feel you breathe I dont need to be a superman
As long as you will always be my biggest fan Heaven isn't too far away
Closer to it everyday (Ah, ah)

No matter what your friends might say
We'll find our way, yeah
Now the lights are going out
Along the boulevard

Memories come rushing back and makes it pretty hard
I've got nowhere left to go
And no one really cares
I don't know what to do

But I'm never giving up on you. Heaven isn't too far away
Closer to it every day
ohhhh ohhh

No matter what your friends say
I know we're gonna find a way
Heaven

Whoah, oohh, ohhh
Whoah, oohh, ohhh
Heaven

It's not too far away
Whoah, oohh, ohhh
Yeah yeah yeah
