

# Private Parts (feat. James Michael) [Bonus Track]

## Halestorm

[LZ = Lzzy Hale, NS = James Michael][LH] Baby, forgive me  
[LH] Did I do something wrong?  
[JM] I don't wanna talk  
[JM] Can't we just, let it go?  
[LH] What could be so bad,  
[LH] That you'd leave me hanging on?  
[JM] I'm not doing time  
[JM] This is not the scene of a crime  
[LH] I lay in bed at night, contemplating  
[Both] Why the hell you gotta keep me waiting?  
Everytime I try to get a little closer  
You shut down and the conversation's over  
I'm right here but  
You leave me in the dark  
Show me your private parts  
Give it up, baby  
What are you afraid of?  
Life sucks when you don't know what it's made of  
We get naked, but I can't undress your heart  
Show me your private parts!  
(JM: Show me your private parts)  
Show me your private parts!  
(JM: Show me your private parts)  
[LH] I can't remember  
[LH] The last time that this felt real  
[JM] I would have cut you out  
[JM] If I didn't love you  
[LH] And how can you blame me  
[LH] For feeling the way I feel?  
[JM] I'm not blaming you  
[JM] I'm just trying to figure it out  
[LH] I can take a little hesitating  
[LH] I'll wait forever if it's worth the waiting  
Everytime I try to get a little closer  
You shut down and the conversation's over  
I'm right here but  
You leave me in the dark  
Show me your private parts  
Give it up, baby  
What are you afraid of?  
Life sucks when you don't know what it's made of

We get naked, but I can't undress your heart  
Show me your private parts!  
(JM: Show me your private parts)  
Show me your private parts!  
(JM: Show me your private parts)[Both] They say that silence is gold  
[Both] But I think that's a lie  
[Both] You'd think I'd already know  
[LH] But I can't read your mind[LH] Baby, forgive me  
[LH] Did I do something wrong?  
[JM] I don't wanna talk  
[LH] Show me your private parts!Everytime I try to get a little closer  
You shut down and the conversation's over  
I'm right here but  
You leave me in the dark  
Show me your private parts  
Give it up, baby  
What are you afraid of?  
Life sucks when you don't know what it's made of  
We get naked, but I can't undress your heart  
Show me your private parts!  
(JM: Show me your private parts)  
Show me your private parts!  
(JM: Show me your private parts)  
Your private parts!  
(Private parts!)  
(JM: Show me your private parts)  
Your private parts!
