

# Gaika, Chinmoku Ga Nemuru Koro

## DIR EN GREY

These eyes opened up and understood everything  
Our battle what do you think about this fist that shakes in anger?  
???????

The good and the bad have all been rooted into us  
?? ?? ???No turning back

A boon or a bane  
Every night death opens its mouth, tangles it's tongue and comes for me

No turning back Salute the monkey  
Salute the monkey

The desire to combine with god  
Sex with a humanoid

???????????

FOREVER ABANDONED

?????????

?????????????Our battle what do you think about this fist that shakes in anger?

??????Justice for dying

?????????????

?????????????????

???????????

?????????????

?????????????

?????????????????

?????????????????

?????????????

Salute the monkey

Salute the monkey

The desire to combine with god  
Sex with a humanoid?????????????

???????????

???????

?????????? ??????????

?????????????Solution and tomorrow, that's rubbish  
Devil In A Midnight Mass
