Gaika, Chinmoku Ga Nemuru Koro

DIR EN GREY

These eyes opened up and understood everything
Our battle what do you think about this fist that shakes in anger?

The good and the bad have all been rooted into us ?? ?? ????No turning back

A boon or a bane

Every night death opens its mouth, tangles it's tongue and comes for me No turning backSalute the monkey

Salute the monkey

The desire to combine with god

Sex with a humanoid

???????????

FOREVER ABANDONED

????????

??????????Our battle what do you think about this fist that shakes in anger?

??????Justice for dying

???????????

????????????????

?????????

???????????

???????????

???????????????

????????????

??????????

Salute the monkey

Salute the monkey

The desire to combine with god Sex with a humanoid???????????

????????

??????

????????? ????????

?????????Solution and tomorrow, that's rubbish Devil In A Midnight Mass
