Can't Take My Eyes Off You

Frankie Valli

You're just too good to be true I can't take my eyes off you You'd be like heaven to touch I wanna hold you so much At long last love has arrived And I thank God I'm alive You're just too good to be true Can't take my eyes off youPardon the way that I stare There's nothing else to compare The sight of you leaves me weak There are no words left to speak But if you feel like I feel Please let me know that is real You're just too good to be true I can't take my eyes off you I need you baby And if it's quite all right I need you baby And if its quite alright I need you baby To warm the lonely nights I love you baby Trust in me when I say its okayOh pretty baby Don't bring me down I pray Oh pretty baby Now that I've found you stay And let me love you, baby Let me love you You're just too good to be true I can't take my eyes off you You'd be like heaven to touch I wanna hold you so much At long last love has arrived And I thank God I'm alive You're just too good to be true Can't take my eyes off YouI need you baby And if it's quite all right I need you baby To warm the lonely nights I love you baby Now trust in me when I say its okayOh pretty baby Don't bring me down I pray

Oh pretty baby Now that I've found you stay And let me love you, baby Let me love you
