

# epiphany

## Taylor Swift

Keep your helmet  
Keep your life, son  
Just a flesh wound  
Here's your rifle  
Crawling up the beaches now  
Sir, I think he's bleedin' out  
And some things you just can't speak about  
With you, I serve  
With you, I fall down  
Down  
Watch you breathin'  
Watch you breathin' out  
Out  
Something med school  
Did not cover  
Someone's daughter  
Someone's mother  
Holds your hand through plastic now  
Doc, I think she's crashin' out  
And some things you just can't speak about  
Only twenty minutes to sleep  
But you dream of some epiphany  
Just one single glimpse of relief  
To make some sense of what you've seen  
With you, I serve  
With you, I fall down  
Down (Down)  
Watch you breathin'  
Watch you breathin' out  
Out  
With you, I serve  
With you, I fall down (Down)  
Down (Down)  
Watch you breathin'  
Watch you breathin' out (Out)  
Out  
Only twenty minutes to sleep  
But you dream of some epiphany  
Just one single glimpse of relief  
To make some sense of what you've seen
