

Why You So Nasty? (feat. Travis Scott)

Jay 305

Watching you, no stalking
Eyeing you, while you bouncing
Kama sutra, keep doing it Why you so nasty?
Why you so nasty? Her ass fat, I need that
Her ass clapping, her feet back
Apple in here? I need that
Me lyin' here in here? I need that
Bugatti? Benz? I need that
I ain't payin' for shit, no feed back
Naked strippers, we need that
I'm a good tipper, if you work that Why you so nasty?
Why you so nasty?
Make that shit work
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make that shit work Wow! Oh wow!
My LA chick like everything in and out of mouth
Oh wow!
Tom Cruise, I'm standing up, fucking on the couch
She got them dumb 'cause she wonder why they poking out of blouse
Wow! that's nasty (Yeah)
I need a female cop to harass me (Woo Woo)
Lock me up in that black and white taxi (Straight up)
Ain't got no time, let's do it in the backseat, yeah
Hands up, face down like "yeah" (Yeah-yeah)
Imma tell my dogs in the hood, yeah (Yeah-yeah)
Roll a dice, pop a damn pill (Yeah)
Why you so nasty?
Why you so nasty? Make that shit work
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make that shit work I'm looking for the bitch with the butterfly on her butt
Yeah, a nigga tryna fuck
And put expert girl, live it up
Bet I make you squirt
Baby give it up

Nigga so freaky, I make peeky nut
Looking for dress so I can beat it up
In 'n' out, in 'n' out, take it out, in her mouth Why you so nasty? Make that shit work
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make that shit work
Make her say "Ow!"
Make her say "Ow!"
Make her say "Ow!"
Make that shit work
