

# How Do I Let Go (feat. K.T. Brooks)

Dennis Ferrer

So I gotta know, oh, oh, oh, how do I let go?  
How do I let go?  
'Cause the thought of losing me  
Keeps me dancing to be free  
Oh, oh, oh, how do I let go?  
How do I let go?  
When you got me losing my mind?  
I'm not ready  
It's not my time  
Ever since you came, such a feeling rushed my way  
It's so real to me how you set me free when you play my song  
I give thanks to you  
'Cause you save me  
And that's hard to do  
Now, reality, not so far from me  
That's how it should be  
I'm so glad to know  
Oh, oh, oh, how do I let go?  
How do I let go?  
'Cause the thought of losing me keeps me dancing to be free  
(Got to be free)  
Oh, oh, oh, how do I let go?  
How do I let go?  
When you got me losing my mind  
I'm not ready, it's not my time  
(It's not my time)  
Oh, oh, oh, how do I let go?  
How do I let go?  
'Cause the thought of losing me keeps me dancing to be free  
Oh, oh, oh, how do I let go, how do I let go?  
When you got me losing my mind  
I'm not ready, it's not my time  
I'm not ready, no, no, no, no, no, no, no  
How do I let go, how do I let go, how do I let go?
