

# Gorilla Pimp (feat. Namond Lumpkin)

## Project Pat

If you thinking I'm straight then you better think twice  
If you ain't got no cheese then I'm jekyl and hyde  
'Bout to click on this bitch cause she need to learn me  
Beat her with my pistol when I thought she burned me  
it's the first tha month you can call me Sambo  
I'ma dick this ho down cause I like to gamble  
In her purse I ramble  
On her head I trample  
Where the hell the damn doe  
Old silly ass hoe  
You gon get tha damn doe  
And I like to chew snow  
Sippin' yak with tha cap is the perfect convo  
You can be a Jane Doe if you call the po-po  
(female voice)I'ma call ya momma a  
Bitch that's a no no  
Don't get personal, I'll never let go  
If you did wanna run you'll get beat to the flo'  
I'ma gorilla pimp you can call me great ape  
knockin' teefus out ya mouth need to get ya shit straight

(Chorus)

I'ma gorilla on the hoes  
dig dat  
I'ma Pimp nigga you ain't know?  
dig dat  
I'ma a mack mane on the stroll  
dig dat  
I'm out here trying to make a ho  
dig dat  
Cause I hustle on the low  
dig dat  
I ain't tryin' to go parole  
dig dat  
So bitch don't try me ho  
dig dat  
If you do I'ma cut ya throat  
dig dat

(Verse Two)

Talkin' smart to a pimp you done broke the first rule  
I'ma come on your job I'ma act a damn fool  
When ya boss walk in I'ma play it off cool  
If he step in our biz I'ma slap his ass too

All that loud talkin ho need to gon' settle down  
'Fore you friend have to pick ya ass up off the ground  
I got love for ya purse meaning that I love you  
Married to this cheese first and I'm screamin' I do  
No money for a mack mean drama for a ho  
Paramedics toting you through the trauma center do'  
Busted lips broken leg but I got my bank roll  
Tried to put a struggle up but she got her eye swoll  
Buying you Taco Bell but a pimp eating Steak  
Corn Bread Collard Greens Chit-a-lings on my plate  
Always late for a date and she always trippin'  
She can hate my fuckin guts but she lovin' my pimpin'(Chorus)(Verse Three)  
Mixin' game with some 'yak is a deadly potion  
If I hit it from the back bitch I want devotion  
In ya pussy strokin'  
Ho a pimp is spoken  
DOA if you try to play my emotions  
I'ma crack a ho's dome I ain't broke the damn law  
Loan a nigga my phone so I broke the bitches jaw  
You done quit ya damn job and you need to start hoin'  
Boostin clothes playin tricks cause a pimp ain't goin  
In the club shakin ass that can bring plenty cash  
But ya get mo' loot with a VIP pass  
Say ya ass got robbed when ya shoulda got a hundred  
Now you get the fuck up out of here go and get my money  
you dummy tryin' to pop phoning me a get ya killed  
Bitch I ain't the chargee I'ma charge you for real  
So don't get it twisted I'm the pimp you the bitch  
Either bring the loot quick or you get ya throat slit I'ma Gorilla on the hoes...
