## **Ghost**

## Ella Henderson

I keep going to the river to pray 'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you

It keeps me awakeMy friends had you figured out

Yeah they saw what's inside of you

You tried hiding another you

But your evil was coming throughThese eyes sitting on the wall

They watch every move I make

Bright light living in the shade

Your cold heart makes my spirit shake

I had to go through hell to prove I'm not insane

Had to meet the devil just to know his nameAnd that's when my love was burning

Yeah it's still burningI keep going to the river to pray

'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you

It keeps me awake

I keep going to the river to pray

'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you

It keeps me awake

Each time that I think you go

I turn around and you're creeping in

And I let you under my skin

Guess I love living in the sinOh you never told me

True love was gonna hurt

True pain I don't deserve

Truth is that I never learnI keep going to the river to pray

'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you

It keeps me awake

I keep going to the river to pray

'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you It keeps me awakeGive up the ghost

Give up the ghost

Give up the ghost

Stop the haunting babyGive up the ghost

Give up the ghost

Give up the ghost

No more haunting babyI keep going to the riverI keep going to the river to pray 'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away But your ghost, the ghost of you

It keeps me awake

I keep going to the river to pray

'Cause I need something that can wash out the pain

And at most

I'm sleeping all these demons away

But your ghost, the ghost of you

It keeps me awake
