## I Can't Unlove You

## **Kenny Rogers**

Postcards and letters

And pictures made to last forever

To be boxed up and tossed away

Knickknacks and souvenirs

In an afternoon, they're out of here

They'll disappear without a trace

But what they mean to me

Can never be replacedI can't unthink about you

I can't unfeel your touch

I can't unhear all the words

Unsay all the things

That used to mean so much

I wish I could unremember

Everything my heart's been through

And finding out it's impossible to do

Oh, it's no use

I can't unlove you

Interstates and old songs

Like time they go on and on

I guess I could learn to do the same

I could wake up without you

These two arms not around you

Tell myself it's meant to be this way

No matter how I try somethings I can't changeI can't unthink about you

I can't unfeel your touch

I can't unhear all the words

Unsay all the things

That used to mean so much

I wish I could unremember

Everything my heart's been through

And finding out it's impossible to do

Oh, no

Oh, it's no use

I can't unlove you

I wish I could unremember

Everything my heart's been through

And finding out it's impossible to do

Oh, oh, it's no use

I can't unlove you
