

# I'm a One Woman Man

George Jones

If you told me that you love me, I would feel so proud  
If you'd let me hold you honey, I'd holler out loud  
I'll never love another even if I can  
Well, come to me baby, I'm a one-woman man A-won't you let me, baby, just a-kind of hang  
around?  
I'll always love honey, and I'll never let you down  
I'll never love another even if I can  
Well, come to me baby, I'm a one-woman man I'd climb the highest mountain if it reached a  
bigger sky  
To prove that I love you, I'd jump off and fly  
I'd even swim the ocean from shore to shore  
To prove that I love you just a little bit more  
A-won't you let me, baby, just a-kind of hang around?  
I'll always love you honey, and I'll never let you down  
I'll never love another even if I can  
Well, come to me baby, I'm a one-woman man If you told me that you love me I would feel so  
proud  
If you'd let me hold you honey, I'd holler out loud  
I'll never love another even if I can  
Well, come to me baby, I'm a one-woman man  
Won't you let me, baby, just a-kind of hang around  
I'll always love honey, and I'll never let you down  
I'll never love another even if I can  
Well, come to me baby, I'm a one-woman man Come to me baby, I'm a one-woman man
