

Big Banc Uchies

Drakeo the Ruler

Sheesh, get some act right
F&N's knocking down black lives, that part
I should be baptized
I poured a five in a twenty ounce and passed out
Big Banc Uchies on the dashboard, Nascar
Rob who? they on bath salt, max park
It was all in a Jansport, transport
Twelve at night, I'm a vampire, transform
Big Banc Uchies on the dashboard, that part
Rob who? they on bath salt, max park
I'm flu flamming, I ain't never had to crack hoes
It was all for the cash flow
Big Banc Uchies on the dashboard, that part
Rob who? they on bath salt, max park
I'm flu flamming, I ain't never had to crack hoes
It was all for the cash flow
Big Banc Uchies on the dashboard, that part
Big Banc Uchies on the dashboard, that part
My flu flamming phenomenal
Rob that nigga Drakeo, that's a mission near impossible
The kamikaze doors with the Rotweiller gotta be
Get Drakeo some mud and you gon' meet a different side of me
I'm standing on hundreds in the booth while I ride the beat
Pippie Long Stocking head, flippin' through the pots and pans
Just knocked down Macho Man
Don't act bobble then, I really be rocking shit
It's all about the Uchie, said sheesh and got my man
Big Banc Uchies on the dashboard, that part
Rob who? they on bath salt, max park
I'm flu flamming, I ain't never had to crack hoes
It was all for the cash flow
Big Banc Uchies on the dashboard, that part
Rob who? they on bath salt, max park
I'm flu flamming, I ain't never had to crack hoes
It was all for the cash flow
Big Banc Uchies on the dashboard, that part
Big Banc Uchies on the dashboard, that part
And I ain't talkin' 'bout like, you know dashboards from no '02 Maseratis or no shit like that.
I'm talkin' 'bout like, like, you know how the, 2016 G-League coupes,
I'm talkin' about high speed chases and shit like where
You just go crazy and just throw that thing in sport or sport plus or something.
Like them old ass cars don't be havin' that type of shit so
You probably wouldn't know what I'm talkin' 'bout.

Like I'm really standing, like, on Big Banc Uchies in the booth right now in these bullshit ass
Balenciaga pay shoes and all that, nigga,
And, yeah.
But I'm fresh out, it's like 11/30/2017, my birthday tomorrow.
I might drop it on my birthday or something.
Broke ass nigga I need to pick the rest of these hundreds off the ground.
I'ma just grab all of 'em, I'ma just grab all of 'em at the same time.
Niggas ain't ever seen no money, sheesh.
Like you from Arkansas, Little Rock ass nigga.
I'm just havin' fun. Pine Bluff ass nigga, hahaha
Little Rock, Pine Bluff-inian B
