

# Dirty Boots

## Sonic Youth

Here we go to another candle I know,  
All the girls there playin' on a jelly roll. Time to take a ride,  
Time to take it in a midnight eye.  
And if you wanna go, get on below.  
Pinkin' out the day, dreamin' out the crazy way.  
Finger on the love, it's all above. Everywhere it's six-sex-six by luck,  
A satellite wish will make it just enough.  
You be makin' out with a witch in a coffee truck. Time to rock the road, and tell the story of the  
jelly rollin'.  
Dirty boots are on, hi-de-ho.  
Pinkin' out the black, dreamin' in a crack.  
Satan got her tongue, now it's undone.  
I got some dirty boots,  
Yeah, dirty boots.  
I got some dirty boots, baby, dirty boots.  
Ha!
