

Dolce & Gabbana

Riff Raff

Iceberg Simpson! Seven butt-naked sippin' drank in my sauna
Only fuck with hoes who rock Dolce & Gabbana I'mma stay with shades

Fendi on my braids

Gotta stay paid

Stay on the front page

Stayin' in the press

Teeth on my chest

Iceberg Caesar with some slugs cross my vest

I got these bitches actin' hard

Swang the boulevard

Riff Raff pullin' up with five ace cards

Maybe five jokers

Your bitch playing strip poker

I'm outside eatin fried okra

(With who?) With Oprah!

Diamonds cross my leaner

Diamonds cross my two-seater

Bitches act like Aquafina

I'mma be a steamer

I'mma steam clean 'em

Diamonds on my bimmer

Diamonds on my BMdub, never been a scrub

Iced out my shoulder shrugs

Suit made by koala

Diamonds on my piece and chain looking like Mufasa

Look like Lion King

Drive a Sebring

Fifty thousand dollars, bought myself a wedding ring

I'mma rock shades

Stunts like Super Dave

On the front page

Ballin' on these waves

I'm a silverback

Drunk and still leanin'

Aquafina jets with the papaya steamer

I'mma steam clean 'em, got the jets sittin' low

The slab outside still sittin' on fo'

I swang on elbow

I'm sittin' in Tahoe

You already know, rap (rap) game Bo (Bo)

Rap game Bo Jackson

My trunk still relaxin'

I'm cool with the mathematics
Motherfuck subtraction
I keep my paper stackin'
I keep that shit movin'
Rap game Action Jackson and my life is like a movie
It's a scary movie
Diamonds on my jacuzzi
I pull up at Ruby Tuesday's
Rap game Oklahoma Sooners
You know how I get down
You know how I'm known clown
Pop trunk, show surround
Leave the whole block drowned (Wet!)
