

ABC's (feat. Phoenix & Elijah Jennings)

Lyfe Jennings

A girl I used to know
B, came my one and only
C, she is all alone
D, pressing, feeling lonely
E, ventually she opened up
F, effortlessly falling in love
G, just must've been proud
That H, love like this is still around Now you know your ABCs
This is how love's supposed to be
It's how I feel when you're close to me
For your loving is everything Now you know your ABCs
But thank you for taking a chance on me
Now that you've learned your ABCs
Next time won't you sing with me?
I loved you from the start
You were J walking through my heart
OK, it's confusing for sure
I would eLaborate some more
But it's iMpossible to put in words
INcredible till the point it hurts
Oh, how you changed my life
P. S. wondering will you be my life? Now you know your ABCs
This is how love's supposed to be
It's how I feel when you're close to me
For your loving is everything Now you know your ABCs
But thank you for taking a chance on me
Now that you've learned your ABCs
Next time won't you sing with me?
Q-pid must've shot me
'Cause ouR love finally got me
ESpecially when you're near me
T, turning to see more clearly
U are the only one for me
From Venus and Mars and this galaxy
W so I can have two
EXceptional, Y you got me so crazy Now you know your ABCs
This is how love's supposed to be
It's how I feel when you're close to me
For your loving is everything Now you know your ABCs
But thank you for taking a chance on me
Now that you've learned your ABCs

Next time won't you sing with me?
