

# Fall in Line (feat. Demi Lovato)

## Christina Aguilera

[Verse 1]

Little girls

Listen closely

Cause no one told me

But you deserve to know

That in this world, you are not beholden

You do not owe them

Your body and your soul[Pre-Chorus]

All the youth in the world will not save you from growing older

And all the truth in the girl is too precious to be stolen from her

[Chorus]

It's just the way it is

Maybe it's never gonna change

But I got a mind to show my strength

And I got my right to speak my mind

And I'm gonna pay for this

They're gonna burn me at the stake

But I got a fire in my veins

I wasn't made to fall in line

No, I wasn't made to fall in line

No[Verse 2]

Show some skin

Make him want you

Cause God forbid you

Know your own way home

And ask yourself why it matters

Who it flatters

You're more than flesh and bones

[Pre-Chorus]

All the youth in the world will not save you from growing older

And all the truth in the girl is too precious to be stolen from her[Chorus]

It's just the way it is

Maybe it's never gonna change

But I got a mind to show my strength

And I got my right to speak my mind

And I'm gonna pay for this

They're gonna burn me at the stake

But I got a fire in my veins

I wasn't made to fall in line

No, I wasn't made to fall in line

No[Bridge: Distorted Male Voice]

Right 2 3  
Shut your mouth  
Stick your ass out for me  
March 2 3  
1 2 3  
Who told you  
You're allowed to think[Chorus]  
It's just the way it is  
Maybe it's never gonna change  
But I got a mind to show my strength  
And I got my right to speak my mind  
And I'm gonna pay for this  
They're gonna burn me at the stake  
But I got a fire in my veins  
I wasn't made to fall in line  
No, I wasn't made to fall in line  
No[Outro]  
1 2 3  
Right 2 3  
Shut your mouth  
Stick your ass out for me  
March 2 3  
1 2 3  
Who told you  
You're allowed to think
