

# In a Little While

## Uncle Kracker

Here's to the good life or so they say  
All those parties and games that all those people play  
They tell me this is the place to be  
All these beautiful people and nothing to see Sometimes I feel like something is gone here  
Something is wrong here, I don't belong here  
Sometimes I feel like a stranger in town  
And I've lost what I've found, it'll all turn around (Chorus)  
In a little while I'll be thinking about you  
In a little while I'll still be here without you  
You never gave me a reason to doubt you  
In a little while I'll be thinking about you baby  
I'll be thinking about you baby  
On the other side of a coin, there's a face  
There's a memory somewhere that I can't erase  
And there's a place that I'll find someday  
But sometimes I feel like it's slipping away Sometimes I feel like something is gone here  
Something is wrong here, I don't belong here  
Sometimes I feel like a stranger in town  
And I've lost what I've found, it'll all turn around In a little while I'll be thinking about you  
In a little while I'll still be here without you  
You never gave me a reason to doubt you  
In a little while I'll be thinking about you Some things are lost, some left behind  
Some things are better left for someone else to find  
Maybe in time, I can finally see  
I just wonder, wonder if you think about me  
Sometimes I feel like something is gone here  
Something is wrong here, I don't belong here  
Sometimes I feel like a stranger in town  
And I've lost what I've found, it'll all turn around, yeah In a little while, I'll be thinking about you  
In a little while, I'll still be here without you  
You never gave me a reason to doubt you  
In a little while I'll be thinking about you baby  
I'll be thinking about you baby  
I'll be thinking about you baby  
I'll be thinking about you baby, baby, baby...
