

Rain Rain Beautiful Rain (feat. Natalie Merchant)

Ladysmith Black Mambazo

Oh, rain, oh, rain
Oh, rain, oh, rain
Beautiful rain
Don't disturb me Beautiful rain
Oh, come, never come
Oh, come, never come
Oh, come to me beautiful rain Rain
Rain, rain, rain, rain
Beautiful rain
Rain, rain, rain, rain Beautiful rain
Oh, come, never come
Oh, come, never come
Oh, come to me beautiful rain
When the sun
Says goodnight to the mountain
I am dreaming of the sun
Say goodnight When the sun
Says goodnight to the mountain
I am dreaming of the sun
Say goodnight When the sun goes down
The birds on the trees
Are singing sweet for the night When the sun
Says goodnight to the mountain
I am dreaming of the sun
Say goodnight When the sun goes down
The birds on the trees
Are singing sweet for the night
When the sun
Says good night to the mountain
I am dreaming of the sun
Say goodnight Rain
Rain, rain, rain, rain
Beautiful rain
Rain, rain, rain, rain Beautiful rain
Oh, come, never come
Oh, come, never come
Oh, come to me beautiful rain
