

# The Living Proof

Mary J. Blige

It's gonna be a long, long journey  
It's gonna be an uphill climb  
It's gonna be a tough fight  
It's gonna be some lonely nights  
But I'm ready to carry on I'm so glad the worst is over  
( 'Cause it almost took me down)  
I can start living now  
I feel like I can do anything, yeah  
And finally I'm not afraid to breathe Anything you say to me  
And everything you do  
You can't deny the truth  
'Cause I'm the living proof  
So many don't survive  
They just don't make it through  
But look at me  
I'm the living proof, oh yes, I am Thinking 'bout life's been painful, yes, it was  
Took a lot to learn how to smile  
So now I am gonna talk to my people  
About the storm, about the storm Oh, so glad the worst is over  
( 'Cause it almost took me down)  
I can start flying now  
My best days are right in front of me  
And I'm almost there 'cause now I'm free Anything you say to me  
And everything you do  
You can't deny the truth  
'Cause I'm the living proof  
So many don't survive  
They just don't make it through  
But look at me  
I'm the living proof I know where I'm going  
'Cause I know where I've been  
I'm gonna feel strong, that's showin'  
I'm gonna be strong, keep growin'  
That's the way that I will Anything you say to me  
And everything you do  
You can't deny the truth  
'Cause I'm the living proof  
So many don't survive  
They just don't make it through  
But look at me, yeah, yeah  
I'm the living proof  
Nothing about my life has been easy, no

But nothin's gonna keep me down, no, down  
'Cause I know a lot more today  
Than I knew yesterday, now  
So I'm ready to carry on, oh Lordy, mmm, mmm
